The purchase price for the Properties shall be Eighteen Million Dollars (\$18,000,000.00) (such amount, unadjusted by any adjustments provided for in this Agreement or agreed to by the Parties, being herein called the "**Base Purchase Price**"). Such Base Purchase Price may be adjusted as provided in **Section 6.5** and **Article VII** hereof, and will be adjusted by the amounts set forth on Exhibit B and Exhibit 4.1(p) (the Base Purchase Price, as so adjusted, and as the same may otherwise be adjusted by mutual agreement of the Parties, being herein called the "**Purchase Price**"). The Purchase Price shall be paid in cash at the Closing as hereinafter provided.

Section 3.2 Deposit. Contemporaneously with the execution of this Agreement, Buyer, Seller and EnergyNet (the "**Escrow Agent**") have entered into an escrow agreement (the "**Escrow Agreement**"), and Buyer has deposited into the escrow account contemplated by the Escrow Agreement (the "**Escrow Account**") an amount equal to \$500,000 (such amount being herein called the "**Deposit**"). The Deposit shall bear interest at the rate established by the Escrow Agent. In the event the transaction contemplated hereby is consummated in accordance with the terms hereof, the Deposit, plus any earned interest, shall be released to Seller and credited against amounts to be paid by Buyer at Closing. In the event this Agreement is terminated by Buyer or Seller in accordance with **Section 8.1** or **Section 8.2** below, the Deposit shall be paid to Buyer or Seller as provided in such Sections. If the Deposit is paid to Buyer, or if Buyer receives credit for same against the Purchase Price paid at Closing, such payment, or credit, shall be in the amount of the Deposit plus the amount of such earned interest. For federal income tax purposes, any interest earned on the Deposit shall be reported by Buyer if the Deposit

is returned to Buyer or credited against the Purchase Price at Closing, and reported by Seller if the Deposit is paid to Seller. **THE PARTIES HEREBY ACKNOWLEDGE THAT THE EXTENT OF DAMAGES TO SELLER OCCASIONED BY THE FAILURE OF THIS TRANSACTION TO BE CONSUMMATED WOULD BE IMPOSSIBLE OR EXTREMELY DIFFICULT TO ASCERTAIN AND THAT THE AMOUNT OF THE DEPOSIT IS A FAIR AND REASONABLE ESTIMATE OF SUCH DAMAGES UNDER THE CIRCUMSTANCES AND DOES NOT CONSTITUTE A PENALTY.**

Section 3.3 Tax Matters. Seller and Buyer agree that they shall allocate the Purchase Price among the Properties for Tax purposes in a manner consistent with the allocation set forth on **Exhibit A** (the “**Allocation Schedule**”) and in accordance with Section 1060 of the Code and the Treasury Regulations promulgated thereunder. Within three (3) Business Days prior to Closing, Seller and Buyer shall each submit to the other for review and reasonable comment a draft of IRS Form 8594 allocating the Purchase Price among the asset classes as provided in the Allocation Schedule. Seller and Buyer agree to file all information reports and Tax Returns (including IRS Form 8594 and any amended Tax Returns or claims for refund) in a manner consistent with the Allocation Schedule and neither Seller nor Buyer shall take, or permit any of their respective Affiliates to take, any position inconsistent with the Allocation Schedule on any Tax Return, in an audit or otherwise, unless required to do so by applicable Law or a “determination” within the meaning of Section 1313(a)(1) of the Code. The Allocation Schedule may be revised, from time to time, by the mutual written consent of Seller and Buyer, so as to reflect any matters that need updating (including Purchase Price adjustments, if any). If Seller and Buyer are unable to resolve any dispute with respect to proposed revisions to the Purchase Price allocations within 14 days, each of Buyer and Seller shall summarize its position with regard to such dispute in a written document of 20 pages or less and submit such summaries to such Person as the Parties may mutually select (the “**Accounting Arbitrator**”), together with any other documentation such Party may desire to submit. Within 20 Business Days after receiving the Parties’ respective submissions, the Accounting Arbitrator shall render a decision choosing either Seller’s position or Buyer’s position (or another position which shall be no less favorable to Seller than Buyer’s position and no less favorable to Buyer than Seller’s position) with respect to each matter addressed based on the materials submitted to the Accounting Arbitrator as described above. Any decision rendered by the Accounting Arbitrator pursuant hereto shall be final, conclusive and binding on Seller and Buyer and will be enforceable against the Parties in any court of competent jurisdiction. The costs of the Accounting Arbitrator shall be borne pro rata between the Parties with each Party being responsible for the Accounting Arbitrator’s costs to the extent the Accounting Arbitrator has not selected such Party’s position on an aggregate dollar basis with respect to all amounts submitted for resolution by the Accounting Arbitrator.

Section 5.1 Representations of Buyer. Buyer represents to Seller that as of the date hereof and the Closing Date:

(a) Organization and Qualification. (c) Approvals. Neither the execution and delivery of this Agreement, nor the consummation of the transactions contemplated hereby, nor the compliance with the terms hereof, will result in any default under any agreement or instrument to which Buyer is a

party, conflict with or result in a breach of any provisions of the organizational or other governing documents of Buyer, or violate any order, writ, injunction, decree, statute, rule or regulation applicable to Buyer, except for requirements (if any) that there be obtained consents to assignment (or waivers of preferential rights to purchase) from third parties, and Routine Governmental Approvals.

(d) Valid, Binding and Enforceable. This Agreement constitutes (and the Conveyance provided for herein to be delivered at Closing will, when executed and delivered, constitute) the legal, valid and binding obligation of Buyer, enforceable in accordance with its terms, except as limited by bankruptcy or other Laws applicable generally to creditor's rights and as limited by general equitable principles.

(e) No Litigation. There are no pending suits, actions, or other proceedings in which Buyer is a party (or, to Buyer's knowledge, which have been threatened to be instituted against Buyer) which affect the execution and delivery of this Agreement or the consummation of the transactions contemplated hereby.

(f) No Distribution. Buyer is an "accredited investor," as such term is defined in Regulation D of the Securities Act of 1933, as amended, and is acquiring the Properties for its own account and not with the intent to make a distribution in violation of the Securities Act of 1933 as amended (and the rules and regulations pertaining thereto) or in violation of any applicable state blue sky Laws or other applicable securities Laws, rules or regulations.

(g) Knowledge and Experience. Buyer has, and had prior to negotiations regarding the Properties, such knowledge and experience in the ownership and operation of oil and gas properties and financial and business matters as to be able to evaluate the merits and risks of an investment in the Properties. Buyer is able to bear the risks of an investment in the Properties and understands risks of, and other considerations relating to, a purchase of the Properties.

(h) Opportunity to Verify Information. As of the Closing, Buyer has been afforded the opportunity to ask questions of the Seller (or a Person or Persons acting on its behalf) concerning the Properties, and Buyer has been furnished with materials relating to the Properties requested by Buyer under this Agreement. Buyer has made its own independent investigation of the Properties to the extent necessary to evaluate the Properties. At Closing, Buyer shall be deemed to have knowledge of all facts contained in all materials, documents and other information which Buyer has been furnished or to which Buyer has been given access.

(k) Bankruptcy. There are no bankruptcy, reorganization or arrangement proceedings pending against, being contemplated by, or, to the knowledge of Buyer, threatened against Buyer.

(l) Brokerage Fees and Commissions. Neither Buyer nor any Affiliate of Buyer has incurred any obligation or entered into any agreement for any investment banking, brokerage or finder's fee or commission in respect of the transactions contemplated by this Agreement for which Sellers shall incur any liability.

## ARTICLE VI COVENANTS OF SELLER PENDING CLOSING

Between the date of this Agreement and the Closing Date:

Section 6.1 Access to Records. Seller will give Buyer, or Buyer's authorized representatives, at Seller's office and at all reasonable times before the Closing Date, access to Seller's records pertaining to the ownership and/or operation of the Properties (including, without limitation, title files, and division order files), for the purpose of conducting due diligence reviews contemplated by **Section 7.1** below. Seller shall not be obligated to provide Buyer with access to any records or data which would waive attorney/client privilege (other than with respect to title opinions or any legal obligations) or which Seller cannot provide to Buyer without, in its opinion, breaching, or risking a breach of, agreements with other parties, or waiving, or risking waiving, legal privilege. However, as to those files and records for which Seller reasonably believes legal privilege may be lost or waived if they are provided or transferred to Buyer or which Seller reasonably believes Seller is prohibited from providing or transferring to Buyer, Seller shall make a reasonable good faith effort to obtain permission to provide such files or records to Buyer without waiving any such privilege or breaching any such agreement, provided Seller is only obligated to request such permission and Seller shall not be obligated to incur any costs or expenses to obtain such permission. **BUYER RECOGNIZES AND AGREES THAT ALL MATERIALS, DOCUMENTS, AND OTHER INFORMATION, MADE AVAILABLE TO IT AT ANY TIME IN CONNECTION WITH THE TRANSACTION CONTEMPLATED HEREBY, WHETHER MADE AVAILABLE PURSUANT TO THIS SECTION OR OTHERWISE, ARE MADE AVAILABLE TO IT AS AN ACCOMMODATION, AND WITHOUT REPRESENTATION OR WARRANTY OF ANY KIND, WHETHER EXPRESS, IMPLIED OR STATUTORY, AS TO THE ACCURACY AND COMPLETENESS OF SUCH MATERIALS, DOCUMENTS, AND OTHER INFORMATION.**

Section 6.2 Physical Inspection. Seller shall make a good faith effort to give Buyer, or Buyer's authorized representatives, at all reasonable times before the Closing Date and upon adequate notice to Seller, physical access to the Oil and Gas Properties for the purpose of

inspecting same. Buyer recognizes that some or all of the Properties may be operated by parties other than Seller and that Seller's ability to obtain access to such properties, and the manner and extent of such access, is subject to such third parties' consent. Buyer agrees to comply fully with the rules, regulations and instructions issued by Seller (and, where Properties are operated by other parties, such other parties) regarding the actions of Buyer while upon, entering or leaving the Properties. Buyer's environmental investigation of the Properties shall be limited to conducting a Phase I Environmental Site Assessment in accordance with the American Society for Testing and Materials (A.S.T.M.) Standard Practice Environmental Site Assessments: Phase I Environmental Site Assessment Process (each, a "**Site Assessment**") accompanied by a representative of Seller. Buyer shall furnish, free of costs, Seller with a copy of any written report prepared by or for Buyer related to any Site Assessment of the Properties as soon as reasonably possible after it is prepared. All environmental reports prepared by or for Buyer shall be maintained in strict confidence and for use solely in connection with its evaluation of the Properties. Except for the obligations to provide reports to Seller as set forth in this **Section 6.2**, if Closing does not occur, such reports shall not be disclosed to any other party.

**Section 6.3    Exculpation and Indemnification.** If Buyer exercises rights of access under this **Article VI** or otherwise, or conducts examinations or inspections under this **Article VI** or otherwise, then (a) such access, examination and inspection shall be at Buyer's sole risk, cost and expense and Buyer waives and releases all claims against Seller (and its partners and its and their affiliates and the respective members, directors, managers, officers, employees, attorneys, contractors and agents of such parties) arising in any way therefrom or in any way connected therewith or arising in connection with the conduct of its directors, officers, employees, attorneys, contractors and agents in connection therewith and (b) Buyer shall indemnify, defend and hold harmless Seller (and its partners and its and their affiliates and the respective members, officers, managers, directors, employees, attorneys, contractors and agents of such parties) from any and all claims, actions, causes of action liabilities, damages, losses, costs or expenses (including, without limitation, court costs and attorneys' fees), or liens or encumbrances for labor or materials, arising out of or in any way connected with such matters. **THE FOREGOING RELEASE AND INDEMNIFICATION SHALL APPLY WHETHER OR NOT SUCH CLAIMS, ACTIONS, CAUSES OF ACTION, LIABILITIES, DAMAGES, LOSSES, COSTS OR EXPENSES ARISE OUT OF (i) NEGLIGENCE (INCLUDING SOLE NEGLIGENCE, SIMPLE NEGLIGENCE, CONCURRENT NEGLIGENCE, ACTIVE OR PASSIVE NEGLIGENCE, BUT EXPRESSLY NOT INCLUDING GROSS NEGLIGENCE OR WILLFUL MISCONDUCT) OF ANY INDEMNIFIED PARTY, OR (ii) STRICT LIABILITY.** In connection with exercising its rights of access under **Section 6.2**, Buyer represents to Seller that it has in force and effect comprehensive liability (including, without limitation, personal injury) and property damage, automobile and workmen's compensation insurance with respect to Buyer and its agents, which insurance (x) is obtained from and maintained with an insurer acceptable to Seller, and (y) has limits of not less than \$1,000,000 for property damage, \$1,000,000 for personal injury, \$1,000,000 for automobile liability, and workmen's compensation coverage as required by applicable Laws.

**Section 6.4    Interim Operation.** As to Properties operated by Seller, between the date of this Agreement and the Closing Date, Seller will continue the operation of the Properties in

the ordinary course of its business (or, where Seller is not the operator of a Property, Seller will continue its actions as a non-operator in the ordinary course of its business), and Seller will not sell or otherwise dispose of any portion of the Oil and Gas Properties without the prior written consent of Buyer, except for sales or other dispositions of (a) oil, gas and other minerals in the ordinary course of business after production, or (b) equipment and other personal property or fixtures in the ordinary course of business where the same has become obsolete, is otherwise no longer necessary for the operation of the Properties, or is replaced by an item or items of at least equal suitability. Seller may enter into new agreements related to the Properties without Buyer's prior written consent (x) if the value of such agreement does not exceed \$20,000, net to Seller's interest, or (y) such agreement is necessary in Seller's reasonable judgment to continue operation of the Properties. Seller, with consent of Buyer, may allow any nonproducing leases (or nonproducing portions of producing leases) that are part of the Oil and Gas Properties to expire by their own terms and Seller shall have no obligation to renew or extend any such nonproducing leases or to take any action or make any payment to keep them in effect. Should Seller receive (or desire to make) any proposals to drill additional wells on the Oil and Gas Properties, or to conduct other operations which require consent of non-operators under the applicable operating agreement, it will notify Buyer of, and consult with Buyer concerning, such proposals, and any decisions with respect to proposals shall be made by Seller with consent of Buyer. Without expanding any obligations which Seller may have to Buyer, it is expressly agreed that Seller shall never have any liability to Buyer with respect to its operation of a Property greater than that which it might have as the operator to a non-operator under the applicable operating agreement (or, in the absence of such an agreement, under the AAPL 610 (1989 Revision) form Operating Agreement), **IT BEING RECOGNIZED THAT, UNDER SUCH AGREEMENTS AND SUCH FORM, SELLER IS NOT RESPONSIBLE FOR ITS OWN NEGLIGENCE, AND HAS NO RESPONSIBILITY OTHER THAN FOR GROSS NEGLIGENCE OR WILLFUL MISCONDUCT.**

Section 6.5 Preferential Rights and Consents. Seller will use reasonable efforts, consistent with industry practices in transactions of this type, to identify the names and addresses of parties holding the Preferential Rights or Consents identified on **Exhibit 4.1(i)**, but shall in no event be obligated to go beyond reviewing its own records. Within ten (10) Business Days after the date of this Agreement, Seller will request, from the parties so identified (and in accordance with the documents creating such rights), execution of such Consents and/or waivers of Preferential Rights. Seller shall have no obligation other than to so request such execution of such Consents and/or waivers of Preferential Rights (including, without limitation, Seller shall have no obligation to assure that such Consents or waivers of Preferential Rights are obtained). Except to the extent that Buyer can establish that Seller failed to fulfill the obligations set forth above in this Section, Buyer shall indemnify and hold Seller (and its partners and its and their affiliates and the respective members, officers, managers, directors, employees, attorneys, contractors and agents of such parties) harmless from and against all claims, actions, causes of action, liabilities, damages, losses, costs or expenses (including, without limitation, court costs and attorney's fees) whatsoever that arise out of the failure to obtain Consents or waivers of Preferential Rights with respect to any transfer by Seller to Buyer of any part of the Properties and with respect to any subsequent transfers **WHETHER OR NOT SUCH CLAIMS, ACTIONS, CAUSES OF ACTION, LIABILITIES, DAMAGES, LOSSES, COSTS OR EXPENSES ARISE OUT OF NEGLIGENCE (INCLUDING SOLE NEGLIGENCE,**

**SIMPLE NEGLIGENCE, CONCURRENT NEGLIGENCE, ACTIVE OR PASSIVE NEGLIGENCE, BUT EXPRESSLY NOT INCLUDING GROSS NEGLIGENCE OR WILLFUL MISCONDUCT) OF ANY INDEMNIFIED PARTY.** If, prior to Closing, Seller is unable to obtain any Consent which is not a Required Consent, the affected Property shall nevertheless be conveyed at Closing and there shall be no reduction to the Purchase Price on account of Seller's failure to obtain such Consent. If a party from whom a waiver of a Preferential Right is requested exercises such Preferential Right, Seller will tender to such party the affected Property, or affected portion thereof (in exchange for a price equal to the Allocated Amount set forth on **Exhibit A** for such Property, reduced appropriately, if less than the entire Property must be tendered), and the interest in such Property will be excluded from the transaction contemplated hereby and the Base Purchase Price will adjusted downward by the amount actually paid to Seller by the party exercising such right. If a party from whom a waiver of a Preferential Right is requested refuses to give such waiver, and the period of time to exercise such Preferential Right has not expired, or if a Required Consent has not been obtained, prior to Closing, such Preferential Right or Consent shall not constitute a Defect, and the Parties shall (i) exclude the Property affected by such Preferential Right and (ii) reduce the Base Purchase Price by the Allocated Amount of the affected Property. If Seller obtains a waiver of any such Preferential Right or the time period expires for exercise of any such Required Consent within thirty (30) days after Closing, then Seller shall promptly provide notice of such waiver to Buyer, and Seller shall convey the affected Property to Buyer using an instrument in the form of the Conveyance in exchange for the Allocated Amount for such Property, which amount shall be paid to Seller by Buyer in immediately available funds.

Section 6.6 Insurance. Seller shall maintain its current insurance policies in effect in accordance with industry practice until Closing (so long as failure to maintain such policies thereafter does not impair Seller's claim rights for matters occurring before Closing).

Section 6.7 Bonds. Prior to Closing, Buyer shall take such actions as may be necessary or appropriate so that all surety bonds, guaranties, and cash collateral listed on **Exhibit 6.7** will be released and replaced immediately after Closing with comparable surety bonds, guaranties, and cash collateral from Buyer or an Affiliate of Buyer. Buyer shall promptly reimburse Seller for any losses or costs incurred by Seller in connection with such surety bonds, guaranties, or cash collateral after Closing.

## **ARTICLE VII DUE DILIGENCE REVIEW**

Section 7.1 Review By Buyer. Should, as a result of Buyer's examinations and investigations, or otherwise, one or more matters come to Buyer's attention which would constitute a Defect (as below defined), and should there be one or more of such Defects which Buyer is unwilling to waive and close the transaction contemplated hereby notwithstanding the fact that such Defects exist, Buyer shall notify Seller in writing of such Defects (such Defects of which Buyer so provides notice are herein called "**Asserted Title Defects**", if arising under **Section 7.2(a)** or **Section 7.2(b)** and "**Asserted Environmental Defects**" if arising under **Section 7.2(c)**) as set forth in this paragraph. Buyer agrees to use reasonable efforts to give Seller, on or before the end of each calendar week prior to the Defect Deadline, written notice of

all alleged Defects (as well as any claims that would be claims under the special warranty set forth in the Conveyance) discovered by Buyer during the preceding calendar week, which notice may be preliminary in nature and supplemented prior to the Defect Deadline. Buyer shall provide notice of all Asserted Environmental Defects and all Asserted Title Defects no later than ten (10) calendar days prior to the Closing (the “**Defect Deadline**”). Such notification shall include, for each Asserted Defect, (a) a description of the Asserted Defect (including, for each Asserted Environmental Defect, a reference to the Applicable Environmental Law providing the basis for such Asserted Environmental Defect) and the Wells, and/or Leases to which it relates and all supporting documentation reasonably necessary to fully describe the basis for the Defect or, if the supporting documentation is contained in Seller’s files, sufficient information to enable Seller to expeditiously locate such supporting documentation, (b) for each applicable Well, the size of any variance from the “Net Revenue Interest” or “Working Interest” listed on **Exhibit A** which does or could result from such Asserted Defect, and (c) the amount by which Buyer would propose to adjust the Base Purchase Price. Buyer may not assert any Defects after the Defect Deadline, and any Defect with respect to which Buyer fails to so give Seller notice by the Defect Deadline will be deemed waived for all purposes, including if applicable, as a condition to close or indemnification claim. **EXCEPT FOR THE CONDITION TO CLOSE IN SECTION 8.1(C) AND THE SPECIAL WARRANTY OF TITLE IN THE CONVEYANCE TO BE EXECUTED AND DELIVERED AT CLOSING, BUYER’S SOLE AND EXCLUSIVE RIGHTS AND REMEDIES WITH RESPECT TO ANY MATTER THAT CONSTITUTES A DEFECT SHALL BE THOSE SET FORTH IN THIS ARTICLE VII, AND BUYER SHALL NOT BE ENTITLED TO REFUSE TO CLOSE OR TO INDEMNIFICATION OR ANY OTHER RIGHT OR REMEDY WITH RESPECT TO ANY DEFECT. ALL ACCESS TO SELLER’S RECORDS AND THE PROPERTIES IN CONNECTION WITH SUCH DUE DILIGENCE SHALL BE SUBJECT AND PURSUANT TO SECTION 6.1, SECTION 6.2, AND SECTION 6.3.**

Section 7.2 Nature of Defects. The term “Defect” as used in this Section shall mean the following:

(a) NRI or WI Variances. Seller’s ownership of each Well listed on **Exhibit A** hereto is such that it (i) entitles Seller to receive a decimal share of the oil, gas and other hydrocarbons which is less than the decimal share set forth on **Exhibit A** in connection with such Well in the column headed “Net Revenue Interest” or (ii) causes Seller to be obligated to bear a decimal share of the cost of operation of the currently producing depths in such Well greater than the decimal share set forth on **Exhibit A** in connection with such Well in the column headed “Working Interest” (without at least a proportionate increase in the share of production to which Seller is entitled to receive from such Well).

(b) Liens. Seller’s ownership of each Oil and Gas Property set forth on **Exhibit A** is subject to a lien other than (i) a lien for Taxes which are not yet delinquent or which is being contested in good faith or (ii) a mechanic’s or materialmen’s lien (or other similar lien), or a lien under an operating agreement or similar agreement, to the extent the same relates to expenses incurred which are not yet delinquent or (iii) liens which will be released at or before Closing (the liens described in (i), (ii) and (iii) of this **Section 7.2(b)** are herein called “**Excluded Liens**”).

(c) Environmental Matters. An Oil and Gas Property is in violation of Applicable Environmental Laws in any respect (the Defects described in this **Section 7.2(c)** are herein called “**Environmental Defects**”). Notwithstanding anything in this Agreement to the contrary, any matter disclosed on Exhibit **4.1(n)** shall be deemed not to be an Environmental Defect.

**Section 7.3 Permitted Matters and Encumbrances.** Notwithstanding any other provision in this Agreement to the contrary, neither the Pre-Existing Defects nor the following matters shall constitute a Defect, or a breach of any covenant, representation or warranty of Seller or a failure to satisfy a condition to Buyer’s obligation to close and shall not be asserted as such (collectively, the “**Permitted Encumbrances**”): (a) defects or irregularities arising out of lack of proof of representative authority on behalf of a corporation, partnership, limited liability company, or trust unless Buyer provides affirmative evidence that such action was not authorized and results in another person’s superior claim of title to the relevant Property; (b) defects or irregularities in acknowledgments; (c) defects or irregularities that have been cured or remedied by applicable statutes of limitation or statutes for prescription; (d) defects or irregularities in the chain of title consisting of the failure to recite marital status in documents; (e) defects or irregularities resulting from or related to probate proceedings or the lack thereof which defects or irregularities have been outstanding for five (5) years or more; (f) a gas imbalance (e.g., a situation where Seller and its predecessor in title to the Properties have taken more or less gas from a Well or unit than ownership of the Properties would entitle them to receive); (g) the application of maintenance of uniform interest provisions contained within joint operating agreements or similar agreements; (h) defects based solely on the existence of prior oil and gas leases that are expired and no longer in force and legal effect but not surrendered of record; (i) conventional rights of reassignment normally actuated by an intent to abandon or release a lease and requiring notice to the holders of such rights; (j) outstanding deed of trust and mortgage liens burdening the interest of any lessor under any of the oil and gas leases included in the Properties, unless there is evidence that the mortgagee or lien holder has asserted a default under any such deed of trust or mortgage and has exercised, or intends to exercise, foreclosure proceedings; (k) defects or irregularities arising out of mortgages, deeds of trust and other liens which, by their terms, matured more than five (5) years prior to the Closing, but which have not been released of record; (l) defects or irregularities arising out of the lack of a survey; (m) Consents and Preferential Rights, which are handled exclusively under **Section 7.2**; (n) normal and customary liens of co-owners under operating agreements, unitization agreements, and pooling orders relating to the Properties, pursuant to which Seller is not in default; (o) all rights reserved in any Governmental Authorities to control or regulate any of the Properties in any manner; (p) lessor’s royalties, non-participating royalties, overriding royalties, reversionary interests and similar burdens upon, measured by or payable out of production if the net cumulative effect of such burdens does not operate to reduce the “Net Revenue Interest” set forth on **Exhibit A** for such Property; (q) the terms, conditions, restrictions, exceptions, reservations and limitations contained in the Leases, Material Contracts, and other matters of record that individually or in the aggregate are not such as to materially interfere with ownership, operation or use of any of the Properties or reduce the “Net Revenue Interest” set forth on **Exhibit A** for any Property; and (r) any other liens, privileges, charges, encumbrances, obligations, defects and irregularities affecting the Properties that individually or in the aggregate are not such as to materially

interfere with the ownership, operation or use of any of the Properties or reduce the “Net Revenue Interest” set forth on **Exhibit A** for any Property.

**Section 7.4 Seller’s Response to Asserted Defects.** In the event that Buyer notifies Seller of Asserted Defects:

(a) **Cure.** Seller may (but shall have no obligation to) attempt to cure, prior to Closing, one or more Asserted Defects.

(b) **Postpone Closing.** Whether or not Seller has then begun to, or ever begins to, cure one or more Asserted Defects (and whether or not Seller has elected to proceed under **Section 7.5** or **Section 7.6** below with respect to one or more Asserted Defects), Seller may postpone the Closing, with respect to any of the Properties as to which Buyer has raised an Asserted Defect, by designating a new Closing Date not later than ninety (90) days after the initial Closing as to Properties unaffected by such Asserted Defects. Notwithstanding any such election to postpone Closing, Seller shall still have no obligation to commence to cure or cure any Asserted Defects. In the event Seller elects to proceed under this **Section 7.4(b)**, then at Closing, Buyer shall deposit into the Escrow Account an amount equal to the aggregate Allocated Amounts of all Properties affected by such Asserted Defects (the “**Defect Escrow Amount**”). Within two (2) Business Days following the resolution of such Asserted Defects in accordance with the procedures set forth in **Section 7.4**, **Section 7.5**, or **Section 7.6** below, as applicable, the Parties shall deliver joint instructions to the Escrow Agent, which shall instruct the Escrow Agent to disburse the Defect Escrow Amount in a manner consistent with such resolution.

(c) **Adjustment.** Notwithstanding any election made under **Section 7.4(a)** or **(b)**, Seller may elect to have one or more Asserted Defects handled under **Section 7.5** or **Section 7.6** below:

**Section 7.5 Resolution of Uncured Defects.** In the event that, as a part of the due diligence reviews provided for in **Section 7.1** above, Asserted Defects are presented to Seller and Seller is unable or unwilling to cure such Asserted Defects prior to Closing, or in the event that Buyer or Seller has elected (pursuant to **Section 13.1** to treat an Oil and Gas Property affected by a casualty loss as if it was an Oil and Gas Property affected by an Asserted Defect), then:

(a) **Agree Upon Adjustment.** Buyer and Seller shall, with respect to each Property affected by such matters, attempt to agree upon an appropriate downward adjustment of the Base Purchase Price to account for such matters; and

(b) **Excluded Property.** With respect to each Property as to which Buyer and Seller are unable to agree upon appropriate adjustment with respect to all such matters affecting such Property, unless Seller elects to proceed under **Section 7.6** below, such Property will be excluded from the transaction contemplated hereby, and the Base Purchase Price will be reduced by the “Allocated Amount” attributed on **Exhibit A** to such Property.

**Section 7.6 Adjustment For Certain Uncured Defects.** In the event that Buyer raises as a Defect one of the following types of Defects and such Defect is not cured prior to the

Closing (including any postponement of the Closing by Seller pursuant to **Section 7.4**), Seller may elect to adjust the Purchase Price as set forth below instead of proceeding or continuing to proceed under **Section 7.5**.

(a) NRI Variance/Proportionate Price Reductions. If the Asserted Defect is a Defect described in clause (i) of **Section 7.2(a)**: a downward adjustment equal to the amount determined by multiplying the “Allocated Amount” set forth for such Well on **Exhibit A** by a fraction (i) the numerator of which is an amount equal to the “Net Revenue Interest” shown on **Exhibit A** for such Well less the decimal share to which Seller would be entitled to as a result of its ownership interest in such Well which is unaffected by such Defect and (ii) the denominator of which is the “Net Revenue Interest” shown for such Well on **Exhibit A**.

(b) Liens/Payoff Amount. If the Asserted Defect is a Defect described in **Section 7.2(b)**: a downward adjustment equal to the lesser of (i) the cost to pay off the lien and remove such lien from the Property or (ii) the “Allocated Amount” set forth for such Property as set forth on **Exhibit A**.

(c) Environmental Matters/Remediation Costs. If the Asserted Defect is a Defect described in **Section 7.2(c)**: the lesser of (i) the costs agreed to by Buyer and Seller to Remediate such Defect consistent with the requirements of Applicable Environmental Laws and (ii) the Allocated Amount of such Property as adjusted pursuant to the provisions as adjusted pursuant to the provisions of this Agreement including, without limitation, the other subsections of the **Section 7.6**.

(d) Other Defects. If the Asserted Defect is not of the type described in the other subsections of this **Section 7.6**, the amount by which the Allocated Amount of an affected Property is reduced shall be determined by taking into account (i) the portion of the Property affected by such Asserted Defect, (ii) the legal effect of such Asserted Defect, (iii) the economic effect of such Asserted Defect over the life of the Property, (iv) the values placed upon such Asserted Defect by Buyer and Seller and (v) such other reasonable factors as are necessary to make a proper evaluation.

**Section 7.7** Possible Upward Adjustments. Should Seller determine (or should Buyer, in the course of its due diligence reviews contemplated by **Section 7.1** above, determine) that the ownership of the Properties by Seller entitles Seller to a decimal share of the production from a Well listed on **Exhibit A** greater than the decimal share shown for such Well under the column headed “Net Revenue Interest” on **Exhibit A**, then such Party shall propose an upward adjustment to the Base Purchase Price to account for such fact, in which case such adjustment shall be handled in the same manner as provided in **Section 7.5** above with respect to adjustments for Asserted Defects. The Party making such determination shall notify the other Party no later than the Defect Deadline.

**Section 7.8** Limitations on Adjustments.

(a) Title Defects. If the Base Purchase Price reduction with respect to a particular Asserted Title Defect which would result from the above provided for procedure does not

exceed Twenty Thousand Dollars (\$20,000), no adjustment shall be made for such Asserted Title Defect. If the Base Purchase Price reduction (or increase) which would result from the above provided for procedure, as applied to all Asserted Title Defects for which an adjustment is to be made (and to all upward adjustments under **Section 7.7**) does not exceed two percent (2%) of the Base Purchase Price (the “**Title Defect Deductible**”), then no adjustment of the Base Purchase Price shall occur, and none of the Properties which would be excluded by such procedure shall be excluded. If the Base Purchase Price reduction (or increase) which would result from the above provided for procedure as applied to all Asserted Title Defects for which an adjustment is to be made (and to all upward adjustments under **Section 7.7**) exceeds the Title Defect Deductible, the Purchase Price shall be adjusted by the amount by which such reduction (or increase) exceeds the Title Defect Deductible.

(b) Environmental Defects. If the Base Purchase Price reduction with respect to a particular Asserted Environmental Defect which would result from the above provided for procedure does not exceed Twenty Thousand Dollars (\$20,000), no adjustment shall be made for such Asserted Environmental Defect. If the Base Purchase Price reduction which would result from the above provided for procedure, as applied to all Asserted Environmental Defects for which an adjustment is to be made does not exceed two percent (2%) of the Base Purchase Price (the “**Environmental Defect Deductible**”), then no adjustment of the Base Purchase Price shall occur, and none of the Properties which would be excluded by such procedure shall be excluded. If the Base Purchase Price reduction which would result from the above provided for procedure as applied to all Asserted Environmental Defects for which an adjustment is to be made exceeds the Environmental Defect Deductible, the Purchase Price shall be adjusted by the amount by which such reduction (or increase) exceeds the Environmental Defect Deductible.

(c) Other Limitations. In no event shall an adjustment for any Asserted Defect exceed the Allocated Amount of the Property to which such Asserted Defect relates. All Asserted Defect values and related adjustments to the Base Purchase Price shall be made without duplication.

## **ARTICLE VIII**

### **CONDITIONS PRECEDENT TO CLOSING OBLIGATIONS**

Section 8.1 Conditions Precedent to the Obligations of Buyer. The obligations of Buyer to consummate the transactions contemplated by this Agreement are subject to each of the following conditions being met:

(a) Representations True and Correct. Each of the representations and warranties of Seller contained in this Agreement shall be true and correct in all material respects on and as of the Closing Date as if made on and as of such date, except (i) as affected by transactions contemplated or permitted by this Agreement, and (ii) to the extent that any such representation or warranty is made as of a specified date, in which case such representation or warranty shall have been true and correct in all material respects as of such specified date.

(b) Compliance with Covenants and Agreements. Seller shall have performed and complied in all material respects with (or compliance therewith shall have been waived by Buyer) each and every covenant and agreement required by this Agreement to be performed or complied with by Seller prior to or at the Closing.

(c) Price Adjustment Limitations. The aggregate downward (or upward) adjustment (if any) of the Purchase Price which results from the procedures set forth in **Section 6.5, Article VII** and **Section 13.1** does not exceed twenty percent (20%) percent of the Base Purchase Price.

(d) Litigation. No suit, action or other proceedings shall, on the date of Closing, be pending or threatened before any court or Governmental Authority seeking to restrain, prohibit, or obtain material damages or other material relief in connection with the consummation of the transactions contemplated by this Agreement.

(e) Officer's Certificate. Buyer shall have received a certificate dated as of the Closing Date, executed by a duly authorized officer of Seller, to the effect that the conditions set forth in this Section 8.1 have been satisfied.

(f) Closing Deliveries. On or prior to the Closing Date, Seller shall have delivered, or be in standing ready to deliver at Closing, all agreements, instruments and other documents or items required to be delivered by Seller as required by this Agreement.

If any such condition on the obligations of Buyer under this Agreement is not met as of the Closing Date, or in the event the Closing does not occur on or before the Closing Date, and (in either case) Buyer is not in material breach of its obligations hereunder, this Agreement may, at the option of Buyer, be terminated. In the event such a termination by Buyer occurs the parties shall have no further obligations to one another hereunder (other than the obligations under **Section 6.3** and **Section 12.4** hereof all of which will survive such termination). In the event of such a termination by Buyer, the Deposit plus interest will be refunded to Buyer. If Buyer proceeds to Closing with knowledge of any condition precedent above not being met by Seller, such condition precedent will be deemed waived by Buyer as a condition to close and Buyer hereby waives any claim for breach of a representation and warranty or for indemnity related thereto.

**Section 8.2** Conditions Precedent to the Obligations of Seller. The obligations of Seller to consummate the transactions contemplated by this Agreement are subject to the each of the following conditions being met:

(a) Representations True and Correct. Each of the representations and warranties of Buyer contained in this Agreement shall be true and correct in all material respects as of the date made and (having been deemed to have been made again on and as of the Closing Date in the same language) on and as of the Closing Date, except as affected by transactions permitted by this Agreement and except to the extent that any such representation or warranty is made as of a specified date, in which case such representation or warranty shall have been true and correct in all material respects as of such specified date.

(b) Compliance With Covenants and Agreements. Buyer shall have performed and complied in all material respects with (or compliance therewith shall have been waived by Seller) each and every covenant and agreement required by this Agreement to be performed or complied with by Buyer prior to or at the Closing.

(c) Price Adjustment Limitations. The aggregate downward adjustment (if any) to the Base Purchase Price which results from the procedures set forth in **Section 6.5, Article VII** and **Section 13.1** does not exceed twenty percent (20%) percent of the Base Purchase Price.

(d) Litigation. No suit, action or other proceedings shall, on the date of Closing, be pending or threatened before any court or Governmental Authority seeking to restrain, prohibit, or obtain material damages or other material relief in connection with the consummation of the transactions contemplated by this Agreement.

(e) Officer's Certificate. Seller shall have received a certificate dated as of the Closing Date, executed by a duly authorized officer of Buyer, to the effect that the conditions set forth in this Section 8.1 have been satisfied.

(f) Closing Deliveries. On or prior to the Closing Date, Buyer shall have delivered, or be in standing ready to deliver at Closing, all agreements, instruments and other documents or items required to be delivered by Buyer as required by this Agreement.

If any such condition on the obligations of Seller under this Agreement is not met as of the Closing Date, or in the event the Closing does not occur on or before the Closing Date, and (in either case) Seller is not in material breach of its obligations hereunder, this Agreement may, at the option of Seller, be terminated, in which case the parties shall have no further obligations to one another hereunder (other than the obligations under **Section 6.3** and **Section 12.4** hereof, all of which will survive such termination). If Seller proceeds to Closing with knowledge of any condition precedent above not being met by Buyer, such condition precedent will be deemed waived by Seller as a condition to close and Seller hereby waives all claims for breach of a representation and warranty or for indemnity related thereto. In the event of such a termination by Seller, the Deposit plus interest will be refunded to Buyer, unless (i) one or both of conditions (a) or (b) above are not met, or (ii) Buyer shall otherwise have breached this Agreement, in which event the Deposit plus interest shall be paid to Seller, as well as Buyer being obligated to pay Seller an additional One Million Three Hundred Thousand Dollars (\$1,300,000). Notwithstanding the foregoing, if this Agreement is terminated in accordance with item (i) or (ii) of the foregoing sentence, and at the time of such termination Buyer's conditions to Closing in **Section 8.1** above are not met due to material breach of this Agreement by Seller, then the Deposit shall be refunded to Buyer.

## ARTICLE IX CLOSING

Section 9.1 Closing. The closing (herein called the "**Closing**") of the transaction contemplated hereby shall take place in the offices of Chaparral Energy, L.L.C. on July 27, 2018,

at 10:00 a.m. Central Standard Time, or at such other date and time (i) as the Buyer and Seller may mutually agree upon or (ii) to which Seller may postpone the Closing pursuant to **Section 7.4** hereof (such date and time, as changed pursuant to clauses (i) and (ii), being herein called the “**Closing Date**”). The Closing Date may be extended by Buyer up to thirty (30) days if Buyer’s closing conditions set forth under Section 8.1 are not met as of the Closing Date if such failure is due to any third party’s inability to complete its underwriting and issuance of the bonds as contemplated in **Section 6.7** or required under **Section 5.1**, so long as such failure is not directly caused by the actions or inactions of Buyer.

**Section 9.2    Seller’s Closing Obligations.** At the Closing,

(a)    Delivery of Conveyance. Upon receipt of payment of the amount provided in **Section 9.3(a)**, Seller shall execute, acknowledge and deliver to Buyer a conveyance of the Properties (the “**Conveyance**”), in the form attached hereto as **Schedule I** (and with **Exhibit A** and **Exhibit A-1** hereto, with such modifications as may be mutually agreed to by Buyer and Seller, being attached), effective as of 12:01 a.m. on June 1, 2018 (herein called the “**Effective Date**”).

(b)    Federal and State Conveyance Forms. Seller shall execute (and, where required, acknowledge) and deliver to Buyer forms of conveyance or assignment as required by the applicable Governmental Authorities for transfers of any interests in state, federal or Indian leases included in the Oil and Gas Properties.

(c)    Letters in Lieu. Seller shall, if requested by Buyer, execute and deliver to Buyer letters in lieu of transfer orders (or similar documentation), in form acceptable to both parties.

(d)    Turn Over Possession. Seller shall turn over possession of the Properties.

(e)    IRS Form 8594. Seller shall provide a copy of IRS Form 8594 completed in accordance with **Section 3.3**.

(f)    Release of Liens. Seller shall deliver original, executed and acknowledged releases, in recordable form, of any liens securing indebtedness for borrowed money by Seller.

(g)    Non-Foreign Affidavit. Seller shall deliver an executed statement described in Treasury Regulation §1.1445-2(b)(2) certifying that it is not a foreign person within the meaning of the Code.

(h)    Officer’s Certificate. Seller shall deliver the Officer’s Certificate referred to in Section 8.1(e).

**Section 9.3    Buyer’s Closing Obligations.** At the Closing,

(a)    Payment to Seller. (i) Buyer shall deliver to Seller, by wire transfer of immediately available funds to an account designated by Seller, an amount equal to (A) the

Purchase Price, less or plus (as the case may be) (B) any adjustments under **Section 11.1** or **Section 11.2** which are to be made at Closing, less (C) the Defect Escrow Amount, if any; and (ii) Buyer shall deposit the Defect Escrow Amount, if any, into the Escrow Account.

(b) Delivery of Conveyance. Buyer shall execute, acknowledge and deliver to Seller the Conveyance.

(c) Federal and State Conveyance Forms. Buyer shall execute (and, where required, acknowledge) and deliver to Seller forms of conveyance or assignment as required by the applicable Governmental Authorities for transfers of any interests in state, federal or Indian leases included in the Oil and Gas Properties.

(d) Succession by Buyer. Buyer shall (A) furnish to Seller such evidence (including, without limitation, evidence of satisfaction of all applicable bonding and surety requirements) as Seller may require that Buyer is qualified with the applicable authorities to succeed Seller as the owner and, where applicable, operator of the Properties, (B) with respect to properties operated by Seller where Buyer is to succeed as operator, execute and deliver to Seller appropriate evidence reflecting change of operator as required by applicable Governmental Authorities, and (C) execute and deliver to Seller such forms as Seller may reasonably request for filing with the applicable authorities to reflect Buyer's assumption of plugging and abandonment liabilities with respect to the Wells or on units in which the Properties participate.

(e) IRS Form 8594. Buyer shall provide a copy of IRS Form 8594 completed in accordance with **Section 3.3**.

(f) Officer's Certificate. Buyer shall deliver the Officer's Certificate referred to in Section 8.2(e).

## **ARTICLE X POST CLOSING ACTIONS**

Section 10.1 Transfer of Files. Seller will use its best efforts to deliver to Buyer, at Buyer's expense, and within ten (10) days after Closing, all of Seller's lease files, abstracts and title opinions, division order files, production records, Well files, accounting records (but not including general financial accounting or Tax records), and other similar files and records which directly relate to the Properties, including copies of the documents described in Section 2.2(n), other than those which Seller would waive attorney/client privilege (other than with respect to title opinions or any legal obligations) or which Seller cannot provide to Buyer without, in its reasonable opinion, breaching, or risking a breach of, agreements with other parties, or waiving, or risking waiving, legal privilege. If requested by Seller, Buyer shall execute a mutually agreeable confidentiality agreement regarding those records described above which Seller may deem either proprietary or confidential; which confidentiality agreement will require Buyer to maintain such records and the information set forth therein confidential for two (2) years and will include a release of Seller of any loss or liability incurred by Buyer from the use of such proprietary or confidential information and records. As to those files and records for which

Seller reasonably believes legal privilege may be lost or waived if provided or transferred to Buyer or which Seller reasonably believes is prohibited from providing or transferring to Buyer, Seller shall make a reasonable good faith effort to obtain permission to provide such files or records to Buyer without waiving any such privilege or breaching any such agreement within twenty (20) days after execution of this Agreement by all parties, provided Seller is only obligated to cause those responsible for the files to expend a reasonable amount of time in an effort to obtain such permission and Seller shall not be obligated to incur any costs or expenses to obtain such permission other than the salaries of such employees. Seller may, at its election, make and retain copies of any or all such files. Buyer shall preserve all files so delivered by Seller for a period of five (5) years following Closing and will allow Seller access (including, without limitation, the right to make copies at Seller's expense) to such files at all reasonable times.

Section 10.2 Operational Transition. Seller will in good faith cooperate with Buyer to assist Buyer in succeeding Seller as operator for those Oil and Gas Properties presently operated by Seller. **THERE IS NO ASSURANCE GIVEN BY SELLER THAT BUYER SHALL SUCCEED SELLER AS OPERATOR OF ANY PROPERTY WHERE OTHER PARTIES OWN INTERESTS IN THE WELLS LOCATED THEREON AND BUYER ACCEPTS THE RISK THEREOF.**

Section 10.3 Notifications by Buyer. Immediately after the Closing, Buyer shall notify all applicable operators, non-operators, oil and gas purchasers, and Governmental Authorities that it has purchased the Properties.

Section 10.4 Cure Pre-Existing Defects. Notwithstanding any other provision in this Agreement to the contrary, Seller is solely responsible to cure any and all Pre-Existing Defects. For purposes of this Section 10.4, a Pre-Existing Defect will be deemed "cured" if and when the Pre-Existing Defect would no longer be listed on Exhibits 4.1(e), 4.1(j), 4.1(m) or 4.1(n). To the extent Pre-Existing Defects are not cured prior to the Closing Date, Seller shall continue to take any and all actions, and to incur any and all costs and expenses, reasonably necessary to cure the Pre-Existing Defects.

## **ARTICLE XI ACCOUNTING ADJUSTMENTS**

Section 11.1 Adjustments for Revenues and Expenses. Appropriate adjustments to the Base Purchase Price and the Purchase Price, as applicable, shall be made between Buyer and Seller so that:

(a) Subject to subsection Section 11.1(c) below, Buyer will bear all Property Costs attributable to periods on or after the Effective Date, and Buyer will receive all proceeds from sales of oil, gas and/or other minerals which are produced from (or attributable to) the Properties and which are produced on or after the Effective Date, and

(b) except as provided in subsection (c) below, **Section 11.4** below, **Article XII**, and **Article XV**, Seller will bear all Property Costs attributable to periods before the

Effective Date and Seller will receive all proceeds from the sale of oil, gas and/or other minerals which were produced from (or attributable to) the Properties before the Effective Date, and

(c) It is agreed that, in making such adjustments:

(i) oil which was produced from the Oil and Gas Properties and which was, on the Effective Date, stored in tanks located on the Oil and Gas Properties (or located elsewhere but used by Seller to store oil produced from, or attributable to, the Oil and Gas Properties prior to delivery to oil purchasers) and above pipeline connections shall be deemed to have been produced after the Effective Date,

(ii) the provisions of **Section 16.3** shall be effective as of the Effective Date,

(iii) casualty losses shall be handled in accordance with **Section 13.1**, and

(iv) each Party shall be responsible for its own Income Taxes, and the Parties shall bear responsibility for Asset Taxes as set forth in **Article XV**.

**Section 11.2 Initial Adjustment at Closing.** At least five (5) days before the Closing Date, Seller shall provide to Buyer a statement showing its computations of the amount of the adjustments provided for in **Article VII** and **Section 11.1** above based on amounts which prior to such time have actually been paid or received by Seller. Buyer and Seller shall attempt to agree upon such adjustments prior to Closing, provided that if agreement is not reached, Seller's computation shall be used at Closing, subject to further adjustment under **Section 11.3** below.

**Section 11.3 Adjustment Post Closing.** On or before 120 days after the Closing, Seller shall deliver to Buyer a final settlement statement (the "**Final Settlement Statement**") prepared by Seller based on actual income and expenses during the period between the Effective Date and Closing and which takes into account all final adjustments made to the Purchase Price. As soon as practicable, and in any event within 30 days after receipt of the Final Settlement Statement, Buyer will deliver to Seller a written report containing any proposed changes to the Final Settlement Statement and an explanation of any such changes and the reasons therefor (the "**Dispute Notice**"). Any changes not so specified in the Dispute Notice shall be deemed waived and Seller's determinations with respect to all such elements of the Final Settlement Statement that are not addressed specifically in the Dispute Notice shall prevail. If Seller and Buyer are unable to resolve the matters addressed in the Dispute Notice (if any), each of Buyer and Seller shall within 14 Business Days after the delivery of such Dispute Notice, summarize its position with regard to such dispute in a written document of 20 pages or less and submit such summaries to the Accounting Arbitrator, together with the Dispute Notice, the Final Settlement Statement and any other documentation such Party may desire to submit. Within 20 Business Days after receiving the Parties' respective submissions, the Accounting Arbitrator shall render a decision choosing either Seller's position or Buyer's position (or another position which shall be no less favorable to Seller than Buyer's position and no less favorable to Buyer than Seller's position) with respect to each matter addressed in any Dispute Notice, based on the materials submitted to the Accounting Arbitrator as described above. Any decision rendered by the Accounting

Arbitrator pursuant hereto shall be final, conclusive and binding on Seller and Buyer and will be enforceable against the Parties in any court of competent jurisdiction. The costs of the Accounting Arbitrator shall be borne pro rata between the Parties with each Party being responsible for the Accounting Arbitrator's costs to the extent the Accounting Arbitrator has not selected such Party's position on an aggregate dollar basis with respect to all amounts submitted for resolution by the Accounting Arbitrator. If the adjustments set forth in the Final Settlement Statement are mutually agreed upon by Seller and Buyer, the Final Settlement Statement and the adjusted Purchase Price shall be final and binding on the Parties, subject to the provisions of **Section 11.4**. Any difference in the Purchase Price as paid at Closing and the Purchase Price as adjusted pursuant to the Final Settlement Statement shall be paid by the owing Party to the owed Party within 10 days after final determination of such owed amounts in accordance herewith. All amounts paid pursuant to this **Section 11.3** shall be delivered in United States currency by wire transfer of immediately available funds to the account specified in writing by the relevant Party.

**Section 11.4 Additional Expenses.** After the Parties' agreement upon the Final Settlement Statement, (i) if either Party receives monies belonging to the other Party, including proceeds of production, then such amount shall, within 30 days after the end of the calendar month in which such amounts were received, be paid over to the proper Party, (ii) if either Party pays monies which are the obligation of the other Party under **Section 11.1** above, then such other Party shall, within 30 days after the end of the calendar month in which the applicable invoice and proof of payment of such invoice were received, reimburse the Party which paid such expenses, (iii) if a Party receives an invoice of an expense or obligation (other than an invoice of an expense or obligation with respect to Asset Taxes or Income Taxes) which is owed by the other Party, such Party receiving the invoice shall promptly forward such invoice to the Party obligated to pay the same, and (iv) if an invoice or other evidence of an obligation (other than an obligation with respect to Asset Taxes or Income Taxes) is received by a Party, which is partially an obligation of both Seller and Buyer, then the Parties shall consult with each other, and each shall promptly pay its portion of such obligation to the obligee thereof.

**Section 11.5 Suspended Funds.** As soon as reasonably practicable after Closing, Seller shall cause to be disbursed to Buyer, all the funds (including interest owed thereof, if any) held in suspense by Seller as of the Execution Date, as well as the related documentation, as set forth on **Exhibit 4.1(q)**, as such amounts may have increased or decreased between the date of this Agreement and such date, and that have not been thus paid or disbursed. Buyer shall be responsible for the proper distribution of all such suspended proceeds and agrees to indemnify, defend and hold harmless Seller from and against any and all claims, liabilities and losses related to such suspended proceeds except to the extent Seller unlawfully suspended such proceeds.

## **ARTICLE XII ASSUMPTION AND INDEMNIFICATION**

**Section 12.1 Assumption and Indemnification By Buyer.** From and after the Closing, Buyer shall assume, timely pay and perform, all duties, obligations and liabilities relating to the ownership and/or operation of the Properties regardless of whether the same accrued or otherwise arose before or after the Closing, other than the Excluded Properties and except for Property Costs which have been accounted for in **Section 11.1**, (including, without limitation,

those arising under the contracts and agreements described in **Section 2.1**, and, to the extent arising following the expiration of the Survival Period, the Buyer's Indemnified Claims set forth in **Section 12.2**), and indemnify and hold Seller (and its partners, members, and all their affiliates, and all their respective members, directors, managers, officers, employees, attorneys, contractors and agents) harmless from and against any and all claims, actions, causes of action, liabilities, damages, costs or expenses (including, without limitation, court costs and consultants' and attorneys' fees) of any kind or character (individually a "**Seller's Indemnified Claim**" and collectively "**Seller's Indemnified Claims**") arising out of:

(a) any misrepresentation or breach of any warranty, covenant or agreement of Buyer contained in this Agreement;

(b) the ownership and/or operation of the Properties regardless of whether the same accrued or otherwise arose before or after the Closing (including, without limitation, those arising under the contracts and agreements described in **Section 2.1**), provided that, with respect to Seller's Indemnified Claims that occurred or arose before the Closing, Buyer is not obligated to indemnify Seller under this subparagraph (b) for any Buyer's Indemnified Claim to the extent that Seller is obligated to indemnify Buyer for such Buyer's Indemnified Claim pursuant to this Agreement;

(c) with the sole exclusion of the Pre-Existing Defects, the condition ("**Condition of the Properties**") of the Properties on the date of Closing (including, without limitation, within such matters all obligations to properly plug and abandon, or replug and re-abandon, Wells, to restore the surface of the Properties and to comply with, or to bring the Properties into compliance with, Applicable Environmental Laws, rules, regulations and orders, including conducting any remediation activities which may be required on or otherwise in connection with activities on the Properties), regardless of whether such condition or the events giving rise to such condition arose or occurred before or after the Closing;

(d) the regulation by any Governmental Authority of the Properties;

(e) any Taxes for which Buyer is responsible hereunder;

(f) the Leases or Applicable Contracts;

(g) any imbalances or suspended funds allocable to the Properties; or

(h) any Defect, except for any right of Buyer under **Article VII** to an adjustment to the Base Purchase Price for such Defect or to exclude a Property for such Defect and to receive a reduction in the Base Purchase Price to account for the exclusion of such Property.

**THE FOREGOING ASSUMPTIONS AND INDEMNIFICATIONS SHALL APPLY WHETHER OR NOT SUCH DUTIES, OBLIGATIONS OR LIABILITIES, OR SUCH CLAIMS, ACTIONS, CAUSES OF ACTION, LIABILITIES, DAMAGES, LOSSES, COSTS OR EXPENSES ARISE OUT OF (i) NEGLIGENCE (INCLUDING SOLE NEGLIGENCE, SIMPLE NEGLIGENCE, CONCURRENT NEGLIGENCE, ACTIVE OR PASSIVE NEGLIGENCE, BUT EXPRESSLY NOT INCLUDING GROSS**

**NEGLIGENCE OR WILLFUL MISCONDUCT) OF ANY INDEMNIFIED PARTY, OR  
(ii) STRICT LIABILITY.**

Section 12.2 Indemnification By Seller. From and after Closing, Seller shall indemnify and hold Buyer (and its directors, officers, employees and attorneys, contractors and agents) harmless from and against any and all claims, actions, causes of action, liabilities, damages, costs or expenses (including without limitation court costs and consultants and attorneys' fees) (individually a "**Buyer's Indemnified Claim**" and collectively "**Buyer's Indemnified Claims**") arising out of:

- (a) the employment relationship between Seller and any of Seller's present or former employees or the termination of any such employment relationship;
- (b) any personal injury (including death) or property damage caused by the Oil and Gas Properties prior to Closing if and to the extent covered by Seller's insurance;
- (c) any misrepresentation or breach of any warranty, covenant or agreement of Seller contained in this Agreement;
- (d) any actions, commitments or obligations incurred or to be incurred to cure Pre-Existing Defects pursuant to Section 10.4; or
- (e) the Excluded Properties.

Section 12.3 Notice of Claim. If indemnification pursuant to **Section 12.1** or **Section 12.2** is sought, the party seeking indemnification (the "**Indemnatee**") shall give written notice to the indemnifying party of an event giving rise to the obligation to indemnify, describing in reasonable detail the factual basis for such claim, and shall allow the indemnifying party to assume and conduct the defense of the claim or action with counsel reasonably satisfactory to the Indemnatee, and cooperate with the indemnifying party in the defense thereof; provided, however, that the omission to give such notice to the indemnifying party shall not relieve the indemnifying party from any liability which it may have to the Indemnatee, except to the extent that the indemnifying party is prejudiced by the failure to give such notice and as otherwise provided in **Section 16.1**. The Indemnatee shall have the right to employ separate counsel to represent the Indemnatee if the Indemnatee is advised by counsel that an actual conflict of interest makes it advisable for the Indemnatee to be represented by separate counsel and the reasonable expenses and fees of such separate counsel shall be paid by the indemnifying party.

Section 12.4 No Commissions Owed. Seller agrees to indemnify and hold Buyer (and its partners and its and their affiliates, and the respective officers, directors, employees, attorneys, contractors and agents of such parties) harmless from and against any and all claims, actions, causes of action, liabilities, damages, losses, costs or expenses (including, without limitation, court costs and attorneys' fees) of any kind or character arising out of or resulting from any agreement, arrangement or understanding alleged to have been made by, or on behalf of, Seller with any broker or finder in connection with this Agreement or the transaction contemplated hereby. Buyer agrees to indemnify and hold Seller (and its partners and its and their affiliates and the respective members, officers, managers, directors, employees, attorneys,

contractors and agents of such parties) harmless from and against any and all claims, actions, causes of action, liabilities, damages, losses, costs or expenses (including, without limitation, court costs and attorneys' fees) of any kind or character arising out of or resulting from any agreement, arrangement or understanding alleged to have been made by, or on behalf of, Buyer with any broker or finder in connection with this Agreement or the transaction contemplated hereby.

Section 12.5 Limitations on Seller's Indemnity Obligations. Notwithstanding anything to the contrary, (a) Seller shall not be obligated to indemnify Buyer under this Agreement for any individual Buyer's Indemnified Claim except to the extent that such Buyer's Indemnified Claim under Section 12.2(c) exceeds Twenty Thousand Dollars (\$20,000), and (b) in no event shall Seller be liable under this Agreement in excess of an amount equal to twenty percent (20%) of the Base Purchase Price; provided, however, that such limitations shall not apply to Seller's indemnification obligations under any of **Section 12.2(a)**, **Section 12.2(b)**, **Section 12.2(c)** (to the extent, and only to the extent, related to breaches of the Fundamental Representations) **Section 12.2(d)** or **Section 12.2(e)**. In no event shall Seller's aggregate liability under this Agreement exceed an amount equal to the Base Purchase Price.

## ARTICLE XIII CASUALTY LOSSES

Section 13.1 Casualty Loss. In the event of damage by fire or other casualty to, or condemnation of, all or any portion the Properties prior to the Closing, this Agreement shall remain in full force and effect, and in such event:

(a) Oil and Gas Properties. As to each such Property so affected which is an Oil and Gas Property, then (unless Seller is able to and elects to repair such damage, which Seller shall have no obligation to do, in which case all rights to insurance proceeds, and claims against third parties, related thereto shall belong to Seller), (i) at the election of either Buyer or Seller, such Property shall be treated as if it had an Asserted Defect associated with it and the procedure provided for in **Section 7.5** shall be applicable thereto (in which case, unless Buyer and Seller agree to the contrary, all rights to insurance proceeds, and claims as to the affected Properties against third parties, related thereto shall belong to Seller), or, (ii) if no such election is made by Buyer or Seller, the Purchase Price will not be adjusted, and Seller shall, at Seller's election, either collect (and when collected pay over to Buyer) any insurance claims related to such damage, or assign to Buyer such insurance claims, and, in either event, Buyer shall take title to the Property affected by such loss without reduction of the Purchase Price.

(b) Other Properties. As to each such Property which is other than an Oil and Gas Property and which is not condemned, Seller shall, at Seller's election, either (i) repair such damage or replace such Property, (ii) collect (and when collected pay over to Buyer) any insurance claims related to such damage, or (iii) assign to Buyer any insurance claims related to such damage. Whether Seller elects either (i), (ii) or (iii) under this **Section 13.1(b)**, Buyer shall take title to the Property (or the replacement property to the extent Seller elects to

replace such Property under item (i)) affected by such loss without reduction of the Purchase Price.

## **ARTICLE XV TAX MATTERS**

Section 15.1 Asset Taxes.

(a) Seller shall be allocated and bear all Asset Taxes for any period or portion thereof ending prior to the Effective Date, and Buyer shall be allocated and bear all Asset Taxes for any period or portion thereof that begins at or after the Effective Date.

(b) For purposes of this **Section 15.1**, (i) Asset Taxes that are attributable to the severance or production of hydrocarbons shall be allocated to the period in which the severance or production giving rise to such Asset Taxes occurred, (ii) Asset Taxes that are based upon or related to income or receipts or imposed on a transactional basis (other than such Asset Taxes described in clause (i)), shall be allocated to the period in which the transaction giving rise to such Asset Taxes occurred, and (iii) Asset Taxes that are ad valorem, property or other Asset Taxes imposed on a periodic basis pertaining to a Straddle Period shall be allocated between the portion of such Straddle Period ending immediately prior to the date on which the Effective Date occurs and the portion of such Straddle Period beginning on the date on which the Effective Date occurs by prorating each such Asset Tax based on the number of days in the applicable Straddle Period that occur before the date on which the Effective Date occurs, on the one hand, and the number of days in such Straddle Period that occur on or after the date on which the Effective Date occurs, on the other hand. For purposes of clause (iii) of the preceding sentence, the period for such Asset Taxes shall begin on the date on which ownership of the applicable Properties gives rise to liability for the particular Asset Tax and shall end on the day before the next such date.

(c) To the extent the actual amount of an Asset Tax is not determinable at the Closing or at the time of the determination of the Final Settlement Statement pursuant to **Section 11.3**, as applicable, (i) the Parties shall utilize the most recent information available in estimating the amount of such Asset Tax for purposes of such adjustment, and (ii) upon the later determination of the actual amount of such Asset Tax, timely payments will be made from one Party to the other to the extent necessary to cause each Party to bear the amount of such Asset Tax that is allocable to such Party under **Section 15.1(b)**.

**Section 15.2      Transfer Fees and Taxes.** All required documentary, filing and recording fees and expenses in connection with the filing and recording of the assignments, conveyances or other instruments required to convey title to the Properties to Buyer shall be borne by Buyer. Any and all Transfer Taxes shall be borne by Buyer, provided that Seller shall pay or cause to be paid to the applicable Governmental Authorities any Transfer Taxes that it is required by Law to collect and remit. Buyer shall indemnify and hold Seller harmless from and against such Transfer Taxes within thirty (30) days of Seller's written demand therefor. If Seller (not Buyer) is required by applicable Law to appeal or protest the assessment of Transfer Taxes, the appeal or protest of such proposed assessment shall be treated as an item for which Seller is entitled to indemnification and if Buyer provides a written request and instructs Seller to do so, Seller shall prosecute the protest or appeal; in such event Buyer shall pay all out-of-pocket expenses of Seller (including attorneys' fees) incurred by Seller in connection with such appeal or protest. Seller and Buyer shall reasonably cooperate in good faith to minimize, to the extent permissible under applicable Law, the amount of any such Transfer Taxes.

**Section 15.3      Tax Returns.**

(a) The Parties shall cooperate fully, as and to the extent reasonably requested by the other Party, in connection with the filing of Tax Returns and any audit, litigation, or other proceeding with respect to Taxes relating to the Properties. Such cooperation shall include the retention and (upon another Party's request) the provision of records and information that are relevant to any such Tax Return or audit, litigation or other proceeding and making employees available on a mutually convenient basis to provide additional information and explanation of any material provided under this Agreement. The Parties agree to retain all books and records with respect to Tax matters pertinent to the Properties relating to any Tax period beginning before the Closing Date until the expiration of the statute of limitations of the respective Tax periods and to abide by all record retention agreements entered into with any Governmental Authority.

(b) From the Effective Date through the Closing Date, Seller shall be responsible for filing with the applicable Taxing Authority the applicable Tax Returns for Asset Taxes which are required to be filed on or before the Closing Date and paying the Taxes reflected on such Tax Returns as due and owing (provided that to the extent such Taxes relate to the periods from and after the Effective Date, such payment shall be on behalf of Buyer, and promptly following the Closing Date, Buyer shall reimburse Seller for any such Taxes; but without duplication and only to the extent that such amounts have not already been accounted for hereunder). Buyer shall be responsible for the preparation and timely filing of any Tax Returns and the payment to the applicable Taxing Authority of all Asset Taxes that become due and payable on or after the Closing Date, and Buyer shall indemnify and hold Seller harmless for any failure to file such Tax Returns and to make such payments.

(c) No Party shall file an amended Tax Return or self assessment of Taxes after the Effective Date that reflects additional Taxes payable, which are allocated to the non-filing Party pursuant to this Agreement without the non-filing Party's prior written consent. Seller shall be entitled to all Tax credits and Tax refunds which relate to any such Taxes allocable to any Tax period, or portion thereof, ending before the Effective Date.

(d) Each Party shall have the right to, and the other Party shall take all actions necessary or advisable to allow and permit such Party to, control the conduct, defense, and settlement of any Tax proceeding related to Taxes that are allocated to such Party under this Agreement. If such Party elects not to control the conduct or defense of such Tax proceeding, the other Party shall control the conduct and defense of such proceeding, provided that the other Party shall not settle or compromise any such proceeding without such Party's prior written consent.

## **ARTICLE XVI MISCELLANEOUS MATTERS**

Section 16.1 Survival of Provisions. The representations and warranties of Buyer contained in this Agreement, or in any certificate delivered at Closing shall survive the Closing and the delivery of the Conveyance until the expiration of the application statute of limitations. The representations and warranties of Seller contained in this Agreement, or in any certificate delivered at Closing shall survive the Closing and delivery of the Conveyance for period of one

(1) year from the Closing, except for the Fundamental Representations, which shall survive the Closing until the expiration of the applicable statute of limitations (in each case, the “**Survival Period**”). All covenants of Seller or Buyer contained in this Agreement, or in any certificate delivered at the Closing shall survive the Closing and the delivery of the Conveyance, except for any covenant which by its terms terminates as of a specific date, or is only made for a specified period. No Party shall have any indemnification obligation pursuant to **Article XII** unless it shall have received from the Party seeking indemnification written notice of existence of the claim for or in respect of which indemnification is being sought and such notice is received on or before the applicable Survival Period (or other applicable survival date as set forth in this **Section 16.1**).

**Section 16.2 Further Assurances.** After the Closing, Seller shall execute and deliver, and shall otherwise cause to be executed and delivered, from time to time, such further instruments, notices, division orders, transfer orders and other documents, and do such other and further acts and things, as may be reasonably necessary to more fully and effectively grant, convey and assign the Properties to Buyer.

**Section 16.3 Gas Imbalances, Make-Up Obligations.** Without limitation on any other provision of this Agreement, it is expressly understood and agreed that, upon the occurrence of Closing, but effective as of the Effective Date, Buyer shall succeed to and assume the position of Seller with respect to all gas imbalances and make-up obligations related to the Properties (regardless of whether such imbalances or make-up obligations arise at the wellhead, pipeline, gathering system or other level, and regardless of whether the same arise under contract or otherwise). As a result of such succession, Buyer shall (i) be entitled to receive any and all benefits which Seller would have been entitled to receive by virtue of such position (including, without limitation, rights to produce and receive volumes of production in excess of volumes which it would otherwise be entitled to produce and receive by virtue of ownership of the Properties and rights to receive cash balancing payments), and (ii) be obligated to suffer any detriments which Seller would have been obligated to suffer by virtue of such position (including, without limitation, the obligation to deliver to others production volumes which would have otherwise been attributable to its ownership of the Properties, to deliver production to purchasers hereof without receiving full payment therefor, or to make cash balancing payments or to repay take or pay payments) and (iii) shall be responsible for any and all royalty obligations with respect to such imbalances (including, without limitation, any of the same arising out of royalties having been paid on an “entitlement” basis rather than a “receipts” basis).

**Section 16.4 Waiver of Consumer Rights.** Buyer hereby waives its rights under the Texas Deceptive Trade Practices - Consumer Protection Act, Section 17.41 et seq., Business and Commerce Code, a Law that gives consumers special rights and protections, and any similar Law in any other state to the extent such Act or similar Law would otherwise apply. After consultation with an attorney of Buyer’s own selection, Buyer voluntarily consents to this waiver. To evidence Buyer’s ability to grant such waiver, Buyer represents to Seller that it (a) is in the business of seeking or acquiring, by purchase or lease, goods or services for commercial or business use, (b) has knowledge and experience in financial and business matters that enable it to evaluate the merits and risks of the transactions contemplated hereby, (c) is not in a significantly disparate bargaining position, and (d) has consulted with, and is represented by, an attorney of

Buyer's own selection in connection with this transaction, and such attorney was not directly or indirectly identified, suggested, or selected by Seller or an agent of Seller.

Section 16.5 Parties Bear Own Expenses/No Special Damages. Each Party shall bear and pay all expenses (including, without limitation, legal fees) incurred by it in connection with the transaction contemplated by this Agreement. **NOTWITHSTANDING ANYTHING HEREIN TO THE CONTRARY NEITHER PARTY SHALL HAVE ANY OBLIGATIONS WITH RESPECT TO THIS AGREEMENT, OR OTHERWISE IN CONNECTION HERewith, FOR ANY SPECIAL, CONSEQUENTIAL OR PUNITIVE DAMAGES, PROVIDED THAT ANY SPECIAL, CONSEQUENTIAL OR PUNITIVE DAMAGES RECOVERED BY A THIRD PARTY (EXCEPT AN AFFILIATE OF THE INDEMNIFIED PARTY) SHALL BE RECOVERABLE BY A PARTY TO THE EXTENT THAT SUCH PARTY IS ENTITLED TO INDEMNIFICATION FOR THE MATTER FOR SUCH DAMAGES ARE RECOVERED.**

Section 16.6 Entire Agreement. This Agreement contains the entire understanding of the parties hereto with respect to subject matter hereof and supersedes all prior agreements, understandings, negotiations, and discussions among the parties with respect to such subject matter; provided that any confidentiality agreement executed by Buyer and Seller, or any representative of Seller, in connection with the transaction contemplated hereby is not superseded or modified by this Agreement.

Section 16.7 Amendments, Waivers. This Agreement may be amended, modified, supplemented, restated or discharged (and provisions hereof may be waived) only by an instrument in writing signed by the Party against whom enforcement of the amendment, modification, supplement, restatement or discharge (or waiver) is sought.

Section 16.8 Choice of Law. Without regard to principles of conflicts of Law, this Agreement shall be construed and enforced in accordance with and governed by the Laws of the state of Oklahoma applicable to contracts made and to be performed entirely within such state and the Laws of the United States of America, except to the extent that real property laws of the state in which any portion of the Properties mandatorily governs. **EACH PARTY HERETO WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY ACTION, SUIT OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT.**

Section 16.9 Time of Essence. Time is of the essence in this Agreement.

Section 16.10 No Assignment. Neither Party shall have the right to assign this Agreement, including any indemnification rights, without the prior written consent of the other Party first having been obtained.

Section 16.11 Successors and Assigns. Subject to the limitation on assignment contained in **Section 16.10** above, the Agreement shall be binding on and inure to the benefit of the parties hereto and their respective successors and assigns.

Section 16.12 No Press Releases. Except as may be required under applicable Law, prior to Closing neither Party shall make any public announcement with respect to the transaction contemplated hereby without the consent of the other Party.

Section 16.13 Counterpart Execution, Fax Execution. This instrument may be executed in a number of identical counterparts, each of which for all purposes is to be deemed an original, and all of which constitute collectively, one instrument. It is not necessary that each Party hereto execute the same counterpart so long as identical counterparts are executed by each such Party hereto. This instrument may be validly executed and delivered by facsimile or other electronic transmission.

Section 16.14 Exclusive Remedy. The sole and exclusive remedy of Buyer with respect to the Properties shall be pursuant to the express provisions of this Agreement. If the Closing does not occur due to the breach of Seller, (i) to the extent permitted by applicable Law, the sole and exclusive remedy of Buyer shall be the right to return of the Deposit to extent provided herein and to specific performance under applicable Law, (ii) Buyer shall not be entitled to recover any monetary damages and (iii) Seller agrees that in such event Buyer's legal remedies will be inadequate and that the Properties are unique. If the foregoing limitation of Buyer's remedy to specific performance should for any reason be legally unenforceable, then the sole and exclusive remedy of Buyer, in such event, shall instead be any right to recover actual, direct damages for such breach, provided that in no event shall Buyer be entitled to recover an amount in excess of an amount equal to the Deposit.

Section 16.15 Like Kind Exchange. Seller may elect to structure this transaction as a like-kind exchange pursuant to Section 1031 of the Code, and the Treasury Regulations promulgated thereunder, with respect to any or all of the Properties (a "**Like-Kind Exchange**") at any time prior to the date of Closing. In order to effect a Like-Kind Exchange, Buyer shall cooperate and do all acts as may be reasonably required or requested by Seller with regard to effecting the Like-Kind Exchange, including, but not limited to, permitting Seller to assign its rights under this Agreement to a qualified intermediary of Seller's choice in accordance with Treasury Regulation § 1.1031(k)-1(g)(4) or executing additional escrow instructions, documents, agreements or instruments to effect an exchange; provided, however, Buyer shall incur no expense in connection with such Like-Kind Exchange, Buyer shall not be required to take title to any property other than the Properties in connection with the Like-Kind Exchange, and Buyer's possession of the Properties will not be delayed by reason of any such Like-Kind Exchange.

Section 16.16 References, Titles and Construction.

(a) All references in this Agreement to articles, sections, subsections and other subdivisions refer to corresponding articles, sections, subsections and other subdivisions of this Agreement unless expressly provided otherwise.

(b) Titles appearing at the beginning of any of such subdivisions are for convenience only and shall not constitute part of such subdivisions and shall be disregarded in construing the language contained in such subdivisions.

(c) The words “this Agreement”, “this instrument”, “herein”, “hereof”, “hereby”, “hereunder” and words of similar import refer to this Agreement as a whole and not to any particular subdivision unless expressly so limited.

(d) Words in the singular form shall be construed to include the plural and vice versa, unless the context otherwise requires. Pronouns in masculine, feminine and neuter genders shall be construed to include any other gender.

(e) Examples shall not be construed to limit, expressly or by implication, the matter they illustrate.

Section 16.17 Severability. The provisions of this Agreement will be deemed severable and the invalidity or unenforceability of any provision will not affect the validity or enforceability of any other provision.

Section 16.18 Removal of Name. As promptly as reasonably possible, but in any case within thirty (30) days after the Closing Date, Buyer shall remove the names of Seller and any variants thereof from the Oil and Gas Properties.

Section 16.19 Confidentiality. Prior to Closing, Buyer and Seller shall hold in strict confidence all aspects of the transactions contemplated by this Agreement and Buyer shall hold all proprietary information and data concerning the Properties and obtained in connection with the transactions contemplated by this Agreement (other than information and data that becomes generally available to the public other than through disclosure by a Party or its partners, officers, managers, investors, employees or representatives), and without the prior written consent of all other parties neither Buyer nor Seller shall disclose any such information to anyone other than to its partners, officers, managers, employees and representatives; provided, however, the foregoing shall not restrict disclosures by Buyer or Seller in order to comply with applicable securities or other applicable Laws or to comply with existing loan or other agreements binding upon such Party. From and after the Closing (or if Closing does not occur, for a period of two (2) years following the date of this Agreement), Buyer shall keep all information and data not relating to the Properties that Buyer may have obtained during its due diligence in strict confidence and shall not disclose such information to any Person except to their attorneys, and to the extent such disclosure is required by applicable Law (including legal process, such as subpoenas) or regulations or the applicable rules of any stock exchange. The obligations set forth in this **Section 16.19** shall not apply to any information that (a) is already known to or in the possession of the receiving Party or its representatives as of the date of disclosure, (b) is already in possession of the public or becomes available to the public other than through the act or omission of the receiving Party or its representatives, or (c) is acquired independently from a third party that represents, after reasonable inquiry, that it has the right to disseminate such information at the time it is acquired by the receiving Party or its representatives. Notwithstanding anything in this Agreement to the contrary, the obligations set forth in this **Section 16.19** shall survive for a period of two (2) years from and after Closing.

Section 16.20 Agreement for Parties' Benefit Only. This Agreement is not intended to confer upon any Person not a Party hereto any rights or remedies hereunder except as

expressly provided in **Article XII**, and no person other than the Parties hereto is entitled to rely on any representation, covenant, or agreement contained herein.

#### **Litigation**

##### **Naylor Farms litigation: Trial Court and Bankruptcy Court.**

**Trial Court:** Judge certified part of the class the plaintiffs asked for. Class limited to leases with “Mittelstaedt Clause” and limited to production after 6/1/2006. We appealed the certification to the 10th Circuit Court of Appeals. Oral argument was held in March, but we do not know when to expect a ruling. We have not made an individual determination as to which specific leases this includes.

**Bankruptcy Court:** The bankruptcy judge ruled the plaintiffs can assert a claim against the bankruptcy estate on behalf of the purported class. We appealed this certification of the claim to the District Court of Delaware. We do not know when to expect a ruling.

Under our Plan of Reorganization, to the extent there is liability to the plaintiffs or to the class, any judgment or settlement would be paid in stock rather than cash.
